

Dear All,

What a year it's been! Currently the teachers and teaching assistants are running round enjoying the last day of autumn term and partying the day away so I thought I'd pull together a little message from all of our classes at BAWB and a few special guests. Whilst the year has been a hard one I know there have been those moments of the rainbow coming through the clouds. We feel lucky we have been able to open up the

school doors again and manage to provide a safe, clean and happy environment. So thank you to the cleaning, kitchen, teaching and administration staff for keeping our doors open and thank you to parents for your continued support during lockdown and when we opened our doors again. Through it all we have persevered.

Best wishes for however you are choosing to spend your Christmas and a happy and hopefully better new year.

Many thanks,
Lucy

We had a visit from Santa ...

But can you guess who's behind the beard.....? Thank you to our member of staff who went above and beyond to ensure everyone saw Santa this year ☺ (picture below)
