## About Us

COMPASS Wensleydale has been set up by Helen Hardill and Nikki Beales. They are both passionate about helping children and young people in the Dales to thrive. Together they created COMPASS to help provide more opportunities for children in the Dales to take part in activities, learn new skills and most importantly HAVE FUN!

COMPASS will provide a wide variety of additional opportunities to young people in Wensleydale, to spend time with their friends, to challenge themselves, and to develop resilience and confidence for life.

## Our Philosophy

Our Compass Points – these are our aims for the children and young people who attend our activities and events.

### **Creativity**

We express ourselves creatively. We have a safe space to express our views and to take part in artistic projects.

### **Outdoors**

We enjoy the outdoors. We care for nature and respect the world around us.

### **Memories**

We make memories that will last a lifetime. With our friends we create WOW moments that we will remember forever.

### **Play**

We enjoy playing together. We believe no one is too old to play!

### **Adventure**

We take part in real-life adventures big and small!

### **Skills**

We learn new skills and become capable and independent.

### **Self Confidence**

We gain confidence and resilience by trying new things and having fun.

*Free places available on some activities please see website for more details*
