

West Burton School is pleased to announce our school cook, Karen Chapman, will be providing a "Meals on Wheels" service to residents of the village. The meals will be freshly cooked on the day (Monday to Thursday inclusive during term time) and delivered to your door between 12:00-12.30.

Cooked to NYCC standards meals are nutritionally balanced using only fresh quality ingredients. The menu is run on a three weekly cycle at a cost of £3.75 for two courses. All puddings are a range of freshly cooked puddings and sponges.
