

'Pathfinders'

New Group
for our
9-13yr olds

Beginning Sunday May 22nd

An opportunity for our children to meet, eat, walk, play, have fun and explore what God has to say to them about issues affecting *them*.

Our primary heart is to create a space where friendships can continue to grow and that our young folk can enjoy being together and encourage one another.

What we do and how we do it will grow out of the ideas of those who gather together.

We will meet at **St Matthew's Church in Stalling Busk** at 3:15 for an hour.

Parents who bring their children to Stalling Busk can stay in the School Room and have tea and coffee and there will be a place for younger children to play if this is needed.
