Club House Cawkill Park  
Wensley Road Leyburn

Dear Parent / Carer,

We are holding a Year 6 parents and girls evening at Wensleydale Rugby Club on **29<sup>th</sup> September, 6.30 – 7.45pm.**

Recent changes in rugby age gradings have presented an opportunity to establish a girls U12 team.

The club formed a ladies 1<sup>st</sup> team last season and they have enjoyed considerable success.

Women's rugby in general has been experiencing strong growth similar to women's football over the last 6 or 7 years.

It was brilliant to see top flight women's sport getting the attention it deserves during the Euros this Summer.

The England women's rugby team are similarly successful, currently ranked number 1 in the world and unbeaten in 25 games. They beat Wales by 73 - 7 just this week.

With a women's world cup at home and on the horizon, there has never been a better time to be involved in the women's game.

### **What will we be doing?**

The evening will comprise of a short presentation in the clubhouse including a Q&A session. Following that we will be running a floodlit taster session for the girls in attendance.

This will include some games and skills practice. The girls will get an opportunity to see if the game is of interest to them.

The session will be non-contact given the fact we will be catering for varying levels of experience. Although we will have the tackle bags out – always fun!

### **What should my daughter wear for the Taster Session?**

Rugby or football boots (trainers will also be fine) along with suitable outdoor sports attire based on the weather.

### **How do I register interest?**

So we can plan for numbers please email Dave Nicholson on [dave@redkitewaste.co.uk](mailto:dave@redkitewaste.co.uk) to let us know you are coming or with any questions.

We hope to see you on the 29<sup>th</sup> September at Cawkill Park.
