

"May the Force be With You!"

MAY HALF-TERM SCIENCE CLUBS FOR 6-12 YEAR OLDS

Morning session 09:30 - 12:00

Explore forces and energy by making a slingshot rocket
Learn about inertia and gravity and amaze your friends with an "apple trick"

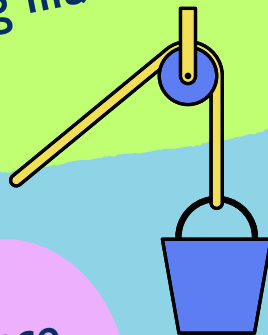

HALF DAY £20/child
(choose morning or afternoon session)

FULL DAY £35/child

Afternoon session 13:00 - 15:30

Learn about static electricity and use it to "magically" move objects
Explore pulleys and make your own toy lifting machine

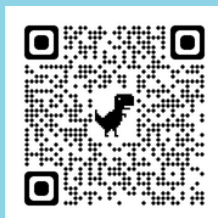

Run by Becca, a highly qualified teacher and science specialist
Fully DBS-checked

Tuesday 28th May
Bainbridge CE Primary School
(nr Hawes) DL8 3EL

Wednesday 29th May
Burneston CE Primary School
(nr Bedale) DL8 2HX

"Great workshops for children. My child comes away full of knowledge and experiences. He loves his time with Becca and she is great at getting all the children engaged in the activities."
