Day sessions (0900-1530hrs) for up to 12 unaccompanied children aged 8+. £30 per child. Campfire snacks included, but please bring a packed lunch and drink.

I am also working on a 'frequent flyer' or family discount scheme as some families have 3 or more children who would like to attend.

The BAWB Federation is happy to pay for holiday club places for any children on free school meals or any who meet pupil premium criteria (details below). Additionally, if any family would like their children to attend a holiday club but would find it hard to pay for it, school would be willing to consider requests for support with that. Please contact Vicky Collins, Executive Headteacher: v.collins@b-a-wb.co.uk. What an amazing offer from BAWB Schools, and I hope it enables more of our families to access the activity days this summer.
