

Swallows: Autumn Term 2024

	English	Maths		Science	
Unit	Read Write Inc Phonics	Place Value Addition and Subtraction Shape		Animals needs for survival Humans Materials	
Key knowledge & vocabulary	We will continue to follow the Read Write Inc. programme for phonics and then building sentences. We will look at class stories and poems to develop a love of reading and writing for different purposes.	<ul style="list-style-type: none"> Flexibly partition number to 100 Estimate, compare and order numbers Count in 2s, 3s, 5s and 10s Add and subtract two 2-digit numbers Count faces, edges and vertices on 2D and 3D shapes 		We will look in depth at the animal classifications: mammals, birds, amphibians, reptiles and fish. We will find out how the shapes of solid objects made from some materials can be changed. We will identify and classify the uses of different materials, carefully observing and recording our findings.	
	Geography	History	RE	PSHE	
Unit	What is it like here?	What is History?	Who is a Muslim and what do they believe? Why does Christmas matter to Christians?	Being Me in My World	
Key knowledge & vocabulary	We will use aerial photographs to locate features of the area surrounding our school. Draw maps of our classroom and survey pupils feelings about areas of the playground before using the outcomes to draw designs to improve the areas of the playground.	We will explore what is meant by the study of history, learning the difference between past, present and future whilst focusing on living memory. Photographs will be used as a source to find out about the past.	Muslim beliefs and ways of life, the Qur'an, the Prophet Muhammad and his stories. We will also learn about Mosques and how Muslims pray and worship. Christians belief that Jesus is God on earth and that like them God was born as a baby.	Identify positive things about themselves and their achievements. Children will discuss new challenges and how to face them both independently and with help. Children will understand the need for rules and learn how these relate to rights and responsibilities.	
	Computing	PE	Music	Art	DT
Unit	IT Around Us Digital Photography	Jumping 1 Feet 1	Pulse, Rhythm and Pitch	The World Around Us	Structures: Fairground Wheel
Key knowledge & vocabulary	We will develop our understanding of what Information Technology is and how it is used. Capture, edit and improve photographs.	We will apply our prior learning of how to jump and use this to jump in combination and link jumps. We will apply our knowledge and understanding of dribbling, passing and receiving in order to keep possession as a team and score a point.	We will understand music by finding the beat, clapping rhythms and responding to pitch. We will improvise using C, D and E and listen and respond to Music Is In My Soul, Hey Friends and Hello!	Based on the work of Alice Fox we will take inspiration from the world around us.	Designing and creating a functional fairground wheel using wheels and axles so that the wheel rotates and the structure stands freely.
