Equality Statement:

At The BAWB Federation we work hard to ensure that the culture and ethos are such that, whatever the abilities and needs of members of the school community, everyone is equally valued and people treat one another with respect. Our schools provide pupils and staff with the opportunity to experience, understand and value diversity. In the operation of this policy, we will endeavour to ensure that all members of our school community receive equal treatment irrespective of their age, gender, race, colour, ethnic origin, family commitments, marital status, sexual orientation, disability or religious beliefs.

Christian Vision

This policy has been written and/or adopted with our Christian Vision in mind:

Inspired by the **compassion** of the Good Samaritan, we:
treat one another with **respect** and **kindness**,
using **courage** and **creativity** to help us as we grow and learn.

Rationale

At The BAWB Federation we believe that a school uniform fosters a sense of identity, belonging and pride; celebrating the unique nature of our federation. Our uniform sets a high standard of appearance for all, whilst clothing pupils in practical, affordable school wear.

Aims

- To set a high standard of presentation
- To demonstrate shared expectations and standards
- To promote a sense of pride and belonging
- To have a positive impact on behaviour and attitudes in school
- To reduce pressures from fashion choices

Implementation of the Policy

We believe that a school uniform ensures that:

- everybody is dressed in practical clothing and looks smart
- children feel equal to others in terms of appearance
- clothing is not distracting in class (as fashion clothes and hairstyles can be) and it is suitable for school
- parents get good value for money
- clothing is designed with health and safety in mind
- children are identified with our federation when taking part in out of school educational activities and visits

School Uniform in Practice

At The BAWB Federation we try to encourage our children to take responsibility for their own appearance, to look clean, smart and tidy at all times.

It is the responsibility of parents to ensure their child is properly attired for school. Members of the school staff have responsibility for promoting the school's uniform policy by reminding children about the rules relating to appropriate dress.

If a problem arises, a member of staff will contact parents in the first instance to discuss.

Children with Sensory Needs

We recognise that some children have sensory needs that may make it more difficult for them to adhere to our uniform policy. We will always work with parents to find a compromise that enables the child to feel comfortable at school.

If you would like to discuss any adaptations that you feel would benefit your child, please contact our SENDCO, Vicky Collins on: headteacher@b-a-wb.co.uk

Rooted in the message of The Good Samaritan, we provide an aspirational education for all.

We flourish academically, spiritually, and socially, enriching our communities.

Executive Headteacher: Ms Vicky Collins

At The BAWB Federation children may wear one pair of small, plain stud earrings and a wristwatch. No other jewellery should be worn to school.

For health and safety reasons, children are not permitted to wear any earrings or wristwatches during PE or swimming. We request that children planning to have their ears pierced, do so at the beginning of the 6 week summer break to allow time to heal. If children come to school wearing earrings on PE or swimming days **they will need to be able to remove them themselves prior to taking part.**

Teachers cannot take responsibility for looking after any jewellery which has been removed.

Exceptions may be made at the headteacher's discretion (e.g. charity wrist bands).

General Appearance

- Children should not wear nail varnish, make-up, or any tattoos, including the temporary 'transfer' variety.
- Long hair should be tied back. This is particularly important in order to prevent the spread of head lice and for health and safety reasons.
- Hair accessories such as slides, hair bands, ribbons, and bobbles should be simple and manageable.
- Parents are asked to ensure that children's hair styles are tidy and appropriate for school. Extreme hairstyles, including brightly dyed hair, shaved heads, and excessively gelled styles are not appropriate.
- Children should not bring mobile phones to school. If a pupil has need to bring a mobile phone (e.g. for use after school), they should hand it in to the office in the morning where it will be kept safely.

Any questions or concerns regarding this policy should be made to the headteacher: headteacher@b-a-wb.co.uk
